GENERAL INFORMATION

The Washington County Community Development Agency (WCCDA) administers the Section 8 Rental Assistance Housing Choice Voucher Programs; but, with the limited size of our Programs, we are unable to provide assistance to everyone in need of a rental subsidy.

This booklet provides you with information regarding the types of Subsidized Rental Housing Programs available and provides you with two listings of housing options as described below:

1. Private Subsidized Housing - This type of subsidized housing is limited to the unit. You cannot move out of this unit and continue to receive assistance.
2. Washington County Owners of Private Market Rate Rental Units - This is a list of owners in Washington County that have market rate rental units. These owners have previously participated in the Section 8 Housing Choice Voucher Program and may be willing to accept additional vouchers if you presently have that type of assistance available to you. You will not receive assistance just because you choose to rent one of these units.

SUBSIDIZED RENTAL HOUSING PROGRAMS

The Subsidized Rental Housing Programs available to low and moderate income people and funded through the Department of Housing and Urban Development (HUD) which is an agency of the federal government include: 1) Low Income Public Housing 2) Section 8 Existing (Housing Choice Voucher Program) 3) Section 8 New Construction 4) Section 236 Housing. The following is a description of the Programs provided.

LOW INCOME PUBLIC HOUSING

This Program is designed to provide housing for individuals and families who are eligible within the income guidelines established. Maximum income limits are usually lower than for moderate income Programs. All Public Housing is operated by local Housing and Redevelopment Authorities (HRA'S). For more information about income limits, eligibility requirements, locations and availability of units, call the appropriate HRA listed below:

SECTION 8 PROGRAMS

There are two primary Section 8 Programs. Both were created under Section 8 of the Housing and Community Development Act of 1974. Both are open to individuals and families who are determined to be eligible according to Program income limits (per household) as follows:

1. Section 8 Existing Housing (Housing Choice Voucher Program)

This Program helps pay the rent on any type of housing unit the applicant can find on their own in the private rental market. The Program is administered by local, county and regional HRA's. Qualified applicants receive a Housing Choice Voucher from the appropriate HRA and then look for suitable rental housing units. Apartments, duplexes, single-family homes and mobile homes are all acceptable, provided the unit complies with the Housing Quality Standards set by the federal government. (See list of Washington County Owners willing to participate in the Section 8 Program, pages 9-13).

For applicants with a Housing Choice Voucher, a tenant can pay up to 40% of their adjusted monthly income toward their rent. The HRA will subsidize a maximum portion of the rent and the family will be responsible for the difference in the rent. There is no rent limit specified, but the more expensive the rental unit the more the tenant will pay for the rent.

For the Program, the HRA determines what portion of the rent is to be paid by the tenant and what portion the HRA will pay directly to the owner on behalf of the tenant.

Application for the Housing Choice Voucher Program may be made only during periods when applications are being taken by an HRA (this will vary depending on the availability of assistance within each Housing Authority). Notice of such periods will appear in local Twin Cities newspapers, or applicants may telephone the Washington County HRA at 651-458-0936 for more information.

2. Section 8 New Construction

This Program provides rent assistance to qualified renters in certain newly constructed buildings located throughout Washington County. In some new buildings, all units are subsidized; in others, only a percentage of units can receive assistance, with the remaining renters paying full market rate rents. Since there is no central agency to handle inquires about the buildings, inquire directly from individual building managers who will furnish information about income limits, eligibility requirements, current availability of units and rent amounts. A Housing Choice Voucher is not required to apply for housing in these buildings. (See units listed under Private Subsidized Housing, pages 6-8).

SECTION 236 HOUSING

This Program provides a reduced interest rate loan to owners of certain apartment buildings so that lower rents could be charged for the housing units. This results in a minimum base-rent to be charged for each apartment. Some apartment buildings have additional rent assistance funds available for qualified renters so that they may pay less than the base rent for the unit.

The Program's operating procedures are similar to Section 8 New Construction, with rents based on income or base-rents set by HUD. Inquire directly from individual building managers. A Housing Choice Voucher is not required. (See units listed under Private Subsidized Housing pages 6-8).

PRIVATE SUBSIDIZED HOUSING

Following is a list of subsidized housing, including many apartment buildings and townhouses in Washington County that contain subsidized rental units for low and moderate income people. Some of these developments are specifically for the elderly, some are totally family, some have units for both families and elderly, and a few are specifically designed for handicapped individuals and are barrier-free.

PLEASE NOTE: MOST OF THESE DEVELOPMENTS HAVE WAITING LISTS, SO IT IS IMPORTANT TO CHECK AS FAR AHEAD OF TIME AS POSSIBLE FOR A UNIT AND TRY TO GET YOUR NAME ON THE WAITING LIST.

The assistance provided at these units is tied to the unit, Section 8 Housing Choice Vouchers are not needed to obtain rental assistance. If you move out of one of these units your rental assistance will not go with you.

These owners have previously participated in the Section 8 Housing Choice Voucher Program and may be willing to accept additional vouchers if you presently have that type of assistance available to you.
